

Compact Series

Gravity Soft Serve Machine

Model CS4

Counter model single flavor soft serve machine. The "Compact Series" is developed exclusively for your countertop, compact enough to sit on your counter, yet big enough to turn up to 80% profits on every serving. Cash in on your countertop...with Electro Freeze "Compact Series" machines.

Special Features

Construction

Sturdy angle iron frame, stainless steel mix hopper, beater and freezing cylinder.

Mix Level Indicator

Low mix lights automatically tell operator when mix is needed.

Axial Flight Beater

Precision crafted and machined to exacting standards resulting in a superior quality product, with fewer parts.

Dispensing Head

Finest insulating material available...no frost, no drip. Easy pull-down handle with self closing spigot.

Mix Feed

Specially designed to maintain optimum overrun.

Refrigeration

3/4 H.P. low temp compressor permits fast freeze-down and quick recovery.

Freezing Cylinder

2.5 quart, polished stainless steel, foam insulated for maximum efficiency.

Mix Hopper

10 quarts, refrigerated stainless steel, foam insulated.

Night Switch

Provides controlled refrigeration of product during night or any non-business period...reduces product deterioration.
